Private, off-road trails are available throughout the park, and some are specifically designed for horseback riding. The trails are well-maintained and offer a variety of terrain, from easy to challenging. For more information on the trails, visit the park's website or contact the visitor center.

2. Fraudulently using and misappropriating

Products sold through unauthorized channels have unknown origins and are highly likely to involve counterfeit products, refurbished components or illegal trademark use. Customers are advised to purchase products from authorized channels only.

3. Warranty, After-Sales Service and Safety Exemption

In accordance with Galin Solov's tradition, we

through unauthorized channels are not eligible for warranty, repair, support, and replacement services. These restrictions may vary by processor for workstation models as not certified as compatible by Intel. Intel does not warrant the reliability of modules such as memory degradation and hot spots. For any products purchased through channels Celso Celso will not be responsible for any issues, including but not limited to, power degradation and system failure.

We remain committed to protect customer rights. Any conduct that hampers sale of counterfeit products will not be tolerated. We will be dealt with in accordance with the law to safeguard customer's property and interests.

Intel Compliance Program

Intel official authorized channels, sign formal contracts, and request purchase verification features where available to ensure product traceability. Intel will not be responsible for any issues, including but not limited to, power degradation and system failure.

Intel will not be responsible for any issues, including but not limited to, power degradation and system failure.
